In order to keep levels of infection low we have put each class into two groups. All students will be at school on the same day though.

Students in group A (3a) will be taught in 2b's classroom. Students in group B (3a) will be taught in 1c's classroom.

Please find below the list of children in each group.

group A	group B
Jan	Klara
Sima	Elisha
Boucar	Johanna
Lennart	Timo
Batol	Julia
Issrae	Leon
Tamina	Sefkat
Ibrahim	Summer

Please discuss the hygiene rules with your child. Should your child not adhere to the rules they will have to be collected from school.

I am looking forward to seeing all students again next week.

Until then all the best and stay healthy!

Yours sincerely

Sabrina Barkam
